

STOP THE **ANGLO** PAYMENTS

PUBLIC MEETING

7PM-9.30PM

TUESDAY 24TH JANUARY
TEACHERS' CLUB

36 PARNELL SQUARE
DUBLIN1

BY 2031, THE PEOPLE IN IRELAND WILL HAVE REPAYED €47 BILLION ON A DEBT FOR WHICH THEY HAVE NO RESPONSIBILITY.

THAT IS 30% OF IRELAND'S GDP.

This public meeting aims to help citizens gain a better understanding of the nature of the debt repayments to former Anglo Irish Bank / Irish Nationwide Building Society (INBS) - How did we as a society end up paying these debts? What will the impact of these ongoing payments be on our communities, and society at large? And most crucially, how can we as citizens work together to undo this injustice?

This informal information-sharing meeting is open to all individuals and community-based organisations. The meeting will feature:

- ➔ Introduction with **Cathleen O'Neill** of Kilbarrack Community Development Centre. ➔
- ➔ Brief on the Anglo / INBS Debt and Q&As with **Tom McDonnell** from independent think-tank TASC. ➔
- ➔ *Group discussions looking at key questions of the impacts paying these debts will have on our communities and what we can do to stop them.* ➔

The meeting is being organised by Debt Justice Action, a new civil society network, which is currently launching a national campaign Anglo: Not Our Debt, calling on the government to immediately stop all payments on Anglo/INBS debt.
